

Letter from Pastor Dan Scott  
Senior Pastor of Christ Church Nashville  
January 13, 2010

Friends,

As you know, the nation of Haiti suffered a devastating earthquake yesterday. It has severely damaged the infrastructure of the country and left untold thousands dead or wounded.

Austin Cagle and our mission's council have asked me to keep you informed of their response.

Tommy and Becky Scott are securing a plane to fly into Haiti within hours or days. They are well acquainted with the country and have wonderful (and knowledgeable) contacts on the ground. They need medical personnel and supplies immediately. If you know of people, agencies or churches who will work with them, contact them at [becky@anchorelectric.biz](mailto:becky@anchorelectric.biz) or 615.860.3923.

The following is a list of the needed items:

1. bandages of all types including rolled bandages, 4X4 gauze, tapes, anything to make wounds less accessible to infection.
2. antibiotics, oral and creams like Neosporin
3. Sulfadene or Silvadene cream for burns including non-stick bandages and more rolled gauze and tape.
4. Anything a surgeon would need to complete open reduction of broken bones.
5. surgical instruments of any type, especially kits for orthopedic surgery
6. slings
7. ace bandages
8. IV fluids
9. IV supplies, such as needles, tubing, etc
10. non-absorbent sutures 3/0 and 4/0
11. gloves, sterile and non sterile
12. splints
13. casting materials
14. pain medications
15. absorbent sutures 3/0 and 4/0

Please continue to pray!

Dan
