Have a voice in Nashville's Future! Attend a Long Term Recovery Discovery Open House near you.

These public meetings are for everyone in Davidson County who cares about the future of our neighborhoods, our economy, and our quality of life. Join us whether or not you were directly impacted by the flood. Your ideas for our long term recovery over the next five to fifteen years are important.

Nashville united in response to the flood. Now is the time to unite again to make sure we emerge even stronger in the years to come!

If you can't make a meeting, please visit us at the Long Term Recovery Plan Storefront at 300 Eleventh Avenue South or www.nashvillerecovery.com.
