Please read each section. Sign and date where applicable. Your registration will not be valid until these forms are signed.

Financial Obligations

In the event a student has registered and has been accepted, but fails to pay the first month's tuition on the first day of school, the student's registration will become void and the opening in the class filled with the first available applicant on the waiting list.

The registration fee cannot be refunded. All withdrawals must be made in writing to the office and shall be effective when such notice is delivered to the school.

Tuition is calculated on the basis of the entire school year; therefore, no reductions can be made for vacations or school holidays. Reductions cannot be made for tuition for absence during the school year. If a student leaves the school for any reason during the school year, or enters after the school year has begun, charges are pro-rated according to the actual number of days enrolled.

Tuition must be turned in to the teacher on the first school day of each month. A late fee of \$10 will be added to your child's tuition following the 3rd school day of each month. If your child is absent during the first week, you must make arrangements with the director to avoid late fees.

I/we agree to uphold the financial obligations as stated above. We also agree to follow the guidelines and regulations as stated in the Student/Parent Handbook.
