Visitor Information

Children
If you will be visiting us with children...

Kidpark Ministries is the Children's Ministry at Christ Church: ages 6 weeks to 6th Grade. Kids are our passion and our desire is that each child would come to know the Lord in a real, life changing way.

We require that all children - both regulars and visitors - check in at the Kidpark Center in the Main Atrium. A Kidpark Attendant will walk you through the check-in process and will direct you to your child's classroom. Infants - 2 year olds can be taken directly to their class. Three year olds - 6th Graders will be dismissed from the 8:30 a.m. service. Your child will be assigned a temporary security number and will be given a nametag. This temporary number will appear in the sanctuary should we need you for any reason. You will be given a temporary security card with that number. Please present this card to your child's teacher at dismissal.

Welcome To Christ Church

We are tremendously excited about what God is doing all around us. There is a sense of faith, joy, and expectation in all that we do.

As a church family, we are committed to wholehearted devotion to Jesus Christ and furthering the Kingdom of God. It is our desire for every individual to fulfill the purpose God has for their life and to walk in the power and authority of the Holy Spirit.

Pastor Dan Scott

We are also passionately committed to, as our church motto states, Building Faith and Growing Family. In November 2004, we completed the Hardwick Center for Family Life — a facility dedicated to making Christ Church not only a place of worship, but also a place of community ... a place to build relationships.

The coffee shop, bookstore, gymnasium, fitness center, game room, indoor playground, and prayer tower serve to provide all of us with priceless opportunities to connect with one another. We gladly share these splendid facilities with everyone - family, friends, neighbors, and those in the workplace - so that together we can reach our community for Christ.

We do hope that you will join us in this great adventure, and we look forward to having you with us.
